

Edward Genocchio

Principal, Mechanical team

E: edward.genocchio@sprusons.com.au

Edward Genocchio is a chartered professional engineer and entered the patent attorney profession in 1997, now specialising in mechanical patents and designs.

Edward applies his extensive industry experience in heavy engineering to his practice, with specific expertise in power generation, mining and steel technology. He also has experience in industrial litigation and his patent practice covers a broad range of industries such as consumer and medical products; agriculture; sanitary ware; construction and the military.

Edward is on the National Professional Engineers Register, a member of the Institute of Engineers Australia and the Australian Institute of Management. He is also a Fellow of the Institute of Patent and Trade Mark Attorneys of Australia, a member of the Intellectual Property Society of Australia and New Zealand, the Association of Asian Patent Attorneys and the American Intellectual Property Law Association.
